

IMR

International Manufacturers Representatives

Proudly Serving Our Customers Since 1978
Baton Rouge - Houston - USA

SPECIALIZING IN BULK SOLIDS, AIR AND GAS AND SLURRY HANDLING SOLUTIONS

IMR provides the latest technological products, engineered systems, components, service, and warehousing facilities. We are a full-service repair shop that specializes in rotating equipment repair.

IMR serves the mineral, petrochemical, chemical, pulp and paper, oil and gas, power, and food industries.

MATERIAL HANDLING SYSTEMS

FLSMIDTH, INC

Worldwide leader in pneumatic bulk conveying

MERRICK, INC.

Dynamic weighing and feeding equipment for minerals and process industries

CPE FILTERS

Pulse jet, shaker, cyclone, reverse air, and cartridge filters

MIDWEST INTERNATIONAL

Bulk material loading systems

WAM INC.

Screw conveyor and mechanical conveying systems, replacement wear parts

R.J. Tricon

RJ TRICON

Mechanical conveying systems and power transmission

ROTATING EQUIPMENT: AIR & GAS SERVICE

M-D Pneumatics®

M-D PNEUMATICS

High performance positive displacement blowers, vacuum boosters, and engineered systems

MD-Kinney

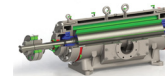

MD-KINNEY VACUUM

Liquid ring, rotary piston, rotary vane, and dry screw process vacuum pumps

CHICAGO BLOWER CORPORATION

Clean and dirty air fans, process fans, high pressure fans, and custom heavy duty fans for any application

AEROMECCANICA STRANICH

Italian manufacturer of heavy-duty, API fans serving the global chemical, refining, steel and petrochemical markets

FLSMIDTH, INC.

Rotary vane compressors and vacuums pumps for pneumatic conveying, process gas transfer, and vacuum freezing

ROTATING EQUIPMENT: SLURRY, PROCESS & WATER SERVICE

GIW® Minerals

GIW INDUSTRIES

Process slurry pumps and systems for the mining market

ROTO PUMPS NORTH AMERICA INC.

ROTO PUMPS

Progressive cavity pumps for industries harshest applications

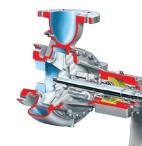

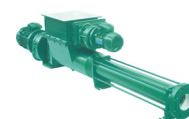

LIQUA FLOW PUMP COMPANY

Process and water pumps for all industry

API APPROVED PROCESS PUMPS

EXPANSION JOINTS

EagleBurgmann.

EAGLEBURGMANN

Design and fabrication of engineered fabric, metal, and rubber expansion joints

FLUE GAS SOLUTIONS, INC.

Full range of expansion joints, dampers, duct work, and breaching products

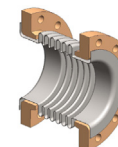

OAK RIDGE BELLOWS

Engineered metal expansion joints and bellows with specialty metal offerings

HOLZ RUBBER

Piping, Flue Duct, and High Temperature non-metallic expansion joints

VALVES

DELTA INDUSTRIAL VALVES

Metal seated knife gate valves for mineral slurries and process applications

RF VALVE, INC.

Pinch valve and rubber lined knife gates for slurry and process applications

BRAY

Resilient seated butterfly valves, ball valves, triple and double offset butterfly valves, pneumatic and electric actuators

EMERSON

Control valves, actuators, and regulators

CHICAGO VALVE, INC.

Specialty ball and gate valves, controls, and butterfly valves

ORBINOX

Resilient seated and metal seated knife gate valves

ASCO

Solenoid and diaphragm valves and repair kits

GOYEN

Pulse jet valves and pilot valves for dust collection solutions

FLSMIDTH, INC.

Diverter valves, rotary airlocks and feeders

POWER TRANSMISSION

ALLIED LOCKE INDUSTRIES

Engineered chain and sprockets

THIELE

Fabricated and forged chain and conveyor components

AIR FILTRATION

SOLBERG

Inlet filters, traps, silencers, and oil mist eliminators

DURR UNIVERSAL

Inlet filters and silencer solutions

AFT, DIVISION OF FLSMIDTH

Dust collection filters and cages

NATIONAL FILTER MEDIA

Pulse jet, envelope, reverse air, pleated bags, and cartridges

WINDSOR WIRE

Standard and custom dust collector cages

AUTHORIZED SERVICE CENTER & MACHINE SHOP

FLSMIDTH AUTHORIZED SERVICE CENTER

- Sliding vane compressors
- FK pumps
- On site inspection and repair

MD-KINNEY VACUUM BLOWER AUTHORIZED SERVICE CENTER

- Kinney vacuum pumps
- Rotary lobe blowers
- Vacuum booster

ROTATING EQUIPMENT REPAIR

- Rotary lobe blowers
- Vacuum pumps
- Rotary airlocks
- Diverter and butterfly valves
- Bearing housings
- Gear reducers

MACHINE CAPABILITIES

- Horizontal boring machine
- Vertical mill
- Lathes
- Supporting rotating equipment repair

IMR PROUDLY REPRESENTS
